lims, and Congress may probably give earlier

FRAUDULENT PACKING OF COTTON. lears before the war the cotton factors of Memphis were occasionally annoyed, and Bible Society has issued to its members and sometimes suffered loss, through fraudulent friends a supplementary and somewhat packing of cotton. The most frequent fraud was mixing various grades of cotton in the Ti same bale; this mode of cheating the pur- frank and full and clear, and its correctness chaser was carried to the extent of arranging does not admit of denial by any responsible while inferior cotton and sometimes bare rubbish were packed inside. Bales so packed were known as "plated bales," being anything been done to impair the confidence plated with good cotton as copper spoons those fraudulent bales; generally, however, the cheat was found out only when the bale was opened at the mills; reclamation followed and the merchant had to endure trouble and loss. The introduction of the practice of baring into the bales, and in that ay ascertaining their contents, diminished the number of frauds, but, as frequent and angry complaints from the mills make known it has not banished them. In the number of their Executive Committee, J. N. Harris, of New London, the Executive Committee, J. N. Harris, of New London, New York. The balance sheet does not reveal an under statement of assets. The published page is simply what it professes to be, a transcript from the Secretary's ledger, not doctored for the occasion, as Dennis, the accountant, pretends, but containing the items as they there appear, and some of them as they have been for years. The managers of the American in this profession of the army of crusaders went into Palestine, many centuries ago, the regulations were comprised in a volume not as big as the common school primer of to-day. The army regulations were comprised in a volume not as big as the common school primer of to-day. The stray regulations were complication of all the occasion, as Dennis, the accountant, pretends, but containing the items as they there appear, and some of them as they have been for years. The managers of the American in the existing regulation of the army, and must the existing regulation of the army, and must the committee, J. N. Harris, of New London reporter: "Why, it's as big and camber reporter: "Why, it's as big and camber some as a family bible; it seems to grow each year in inverse ratio to the size of the army. The control of the first Tennessee of the control of the cont the country, why, stick to Georgia; if you ruptcy, financial and physical, with 300 miles of track upon which the original chair-rail, is the great value of our system of government, It is a Government worth fighting for L have come to day a land with the road was constructed, yet remained, without ballast, with temporary land the country, why, stick to Georgia; if you ruptcy, financial and physical, with 300 miles of the Forty-seventh Congress are now members, and Kaston is in fact a stranger to many members of the Forty-seventh Congress are now members, and Kaston is in fact a stranger to many members of the Forty-seventh Congress. Notwithstanding this he is a strong gress. mot recommend any particular person, but suggests forcibly the wisdom of any policy which would contribute to Republican supermacy in the South.

Ex-Secretary of State Evarts made an argument to-day before Commissioner Raum in advocacy of the refunding by the Government of \$50,000, the amount of what is known as the one hypdred per cent mealty tax, recently assessed against the New York agents of the Rauk of Montreal. The legal question in the South of the United States and docketed for count of the United States and docketed for mealty tax, recently assessed against the New York agents of the United States and docketed for count of the United States and docketed for mealty tax, present and the proposed regards and the proposed regards the latter as the strongest can be admitted. His qualifications for the place are admitted. His qualifications for the place are admitted. He is prompt, determined, and a good parliamentarian, but is handing and the earner than to look upon the secone which was here enacted by an other transmitted to earn, with its rolling stock utterly inadications for the place are admitted. He is prompt, determined, and is possible to the room alm asked Galvin if he had paid his regards the latter as the strongest can didate. It is reported among Western men that there is some division among that there is some division among that there is some division among that the proposed reforms been the voltage. The little basiness of the parties, at all fellow, and a good parliamentaria, but is handing and deepling the road to earn, with its rolling stock utterly inadications for the place are admitted. He is prompt, determined, and is possible to the road to earn, with its rolling stock utterly inadicated to appeal the road to earn, with its rolling stock utterly inadicated. It is reported among Western men discussions for the place of the transmit of the sality of the transmitted to earn with the same that the with its interest account reduced over son, o 875,000 per annum, and all of this accomplished with a floating debt of only a few hundred thousand dollars created. This we say is the most remarkable result of good some quarters it is thought that the name of the first think the say is the most remarkable result of good some quarters it is thought that the name of the first think the say is the s

Edwardsville, Cleburne county, is to have a newspaper; J. W. Garbrough, formerly of DeKalb, editor.

DeKalb, editor.

Say is the most remarkable result of good management that we have ever known in railroad history. In view of the fact that a perpetuation of this good management was assured for the next eighteen years, such capitalists as H. Victor Newcome, President to the Sauthern Railroad. V.

Mr. John A. C. Horn, of Uniontown, re
Nashville and Great Southern Railroad. V.

Some quarters it is thought that the numerance candidates in the field will kill each other of, and that a new man will be taken up. In such an event, it is quite probable that Robeson will be a candidate, though capitalists as H. Victor Newcome, President to the Senatorial race next year to succeed McPherson. As the contest now stands, Nashville and Great Southern Railroad; V. | Hiscock is the most prominent from the K. Stevenson, President of the Real Estate | East and Keifer and Kasson from the West. Trust company; James D. Porter, President of the Nashville, Chattanooga and St. Louis Railway company, and other large capital-It is represented that Orth has a solid Indiana delegation behind him, and that of the Nashville, Chattanooga and St. Louis
Railway company, and other large capitalists, have quietly but persistently bought up
the stock of the Memphis and Charkston
Railroad at from eighty and ninety-three
cents on the dollar, until they have accured
over three millions of the stock. This is
over three millions of the stock. This is over three millions of the stock. This is a compliment not only to the extraordinarily good management which the East Tennessee, Virginia and Georgia party have given to the property, but is alike complimentary to the property, but is alike complimentary to the judgment of the capitalists who have so wisely made the investment. It is confiscally and the stock of the property in the speakersup. The Republicans will not have any difficulty in organizing, however, the provoke a party conflict in the coming session of the Reichstag. The proceedings of the Prussian Diet will furnish the true key to the situation, as it is probable the party of the Center, whose support will be necessary if the Government adheres to its schemes of economic reform, can only be satisfied by whether the proceedings of the Reichstag. The proceedings of the Prussian Diet will furnish the true key to the situation, as it is probable the party of the Reichstag. moraing, in an attempt to bill his own spouse.
